

## Victory Ranch Inc. Moves Operations to the Reno/Sparks Area *Equestrian Non-Profit Serves Disadvantaged Youth and Veterans*

**Reno, Nevada — January 7, 2019** — Victory Ranch Inc. has recently re-located operations from the San Jose, California area to the greater Reno/Sparks area. We look forward to creating new partner relationships with local social service agencies/organizations, Veteran’s groups, and new funding partners. Reaching out to our community is our goal, we have been committed now for over 14 years!

“We are excited to be able to serve the disadvantaged youth and Veterans in our community,” says Doug Hutten, Executive Director and Founder of Victory Ranch Inc.

“We are proud to be able to serve the community and help make a positive change in many of the disadvantaged youth and Veterans (Doug is an Army Veteran) that benefit from our equine programs.” These programs are therapeutic and enjoyed by all the participants.

Victory Ranch Inc. is looking for volunteers (students and adults) to help with conducting the programs and working with the horses. Anyone interested is welcomed to contact us.
